Please read this document carefully before registering and becoming an Arra Communications Subscriber. By registering and using the services of FAST WIRELESS INTERNET Ltd. T/A Arra Communications, you are agreeing to be bound by the terms and conditions of this Agreement, the Disclaimer of Warranty and the Internet Code of Practice.

Please do not continue with the registration process if you do not agree with the terms of this Agreement. If you have any questions call an Arra Communications representative on 061 514513. FAST WIRELESS INTERNET Ltd. T/A Arra Communication reserves the right to change the terms and conditions of its service without prior notice of the change and any such new conditions will come into effect immediately.

Provision of Service Fixed Wireless Access

2.1 (a) The Agreement shall come into force once the Customer has signed the Application Form and Arra Communications has vetted same. On entering into the Agreement, you shall be deemed to have obtained the authority of the person who has full ownership of the property where the CPE is installed.

(b) Neither Party may terminate this Agreement during the Minimum Period of 12 months other than as provided herein. Should the Customer terminate the Agreement prior to the end of the Minimum Period, the Customer shall be liable for the Termination Charge of €155.00 and the remainder of the contract agreement. In the event that the Customer terminates the Agreement during the Minimum Period, the Customer authorizes Arra Communications to debit the Termination Charge from the Customer's bank account.

(c) The Equipment installed by Arra Communications shall at all times remain the property of Arra Communications and the customer shall be liable for any damage caused to the equipment, Nor shall the equipment be used with any other service provider, however the Customer will not be liable for fair wear and tear.

2.2 Service will be restricted to those customers whose Premises do not exceed more than 15 kilometers from the Arra Communication broadcasting station. This Agreement may be terminated by Arra Communications after pre-qualification in Circumstances where in Arra Communications view it is not technically feasible to produce a Quality Service. In such event, Arra Communications will notify the Customer and neither party will have any further liability to the other nor will Arra Communications refund any installation, bandwidth, or personal expenses incurred by the customer.

2.3 The Customer acknowledges that the bit rates on the Form in respect of the Service may be reduced by contention within the WAN (Wide Area network) from time to time.

2.4 Arra Communications shall be entitled to vary the Service and any aspect thereof and the terms of this Agreement at any time provided that Arra Communications serves notices of not less than less than thirty days (30) which notice shall appear together with any changes to these terms and conditions on its website <http://ww.arra.ie> For technical and operational reasons we shall be entitled to vary the Service and any aspect thereof at any time subject to adequate notice to the Customer.

2.5 Arra Communications customer care number is 061 514513

2.6 Arra Communications will use its reasonable efforts to install the Service by the date that it agrees with the Customer, but all dates are estimates only and Arra Communications cannot guarantee that it will meet such dates

2.7 Arra Communications will not refund the install fee or bandwidth charges if a wireless Association has been established with the Arra Communications Local Access point on the install date. It is the customers own responsibility to test the connection on the date of installation. By signing The Arra Communications signup form found on our website <http://www.arra.ie> the customer agrees that they have tested the connection and agree that the service provided is satisfactory. It is the customers own responsibility to include a note with the signup forms signed by the customer if the service is not satisfactory on the installation date, However if the equipment does not create a wireless association to the local access point on the date of installation Arra Communications will not charge the customer our installation fees or Arra Communications will refund any of our fees charged if payment was collected before the completed installation date

2.8 Arra Communications will not be held responsible for any personal loss or damage nor will Arra Communications refund any installation, bandwidth, or personal expenses incurred by the customer in the event that the service is interrupted due to Contention ratio of the WAN, noise or interference created by other wireless communication equipment not maintained or serviced by Arra Communications.

2.9 Arra Communications will not be held responsible for any personal loss or damage nor will Arra Communications refund any installation, bandwidth, or personal expenses incurred by the customer in the event that the service is interrupted due to non line of sight nor if an obstacle changes form in any way or is constructed in the line of site to the Fast Wireless Internet broadcasting station

(2.10) If 2.8 and 2.9 applies Arra Communications may terminate this Agreement during the Minimum Period of 12 months other than as provided herein. Should the Customer terminate the Agreement prior to the end of the Minimum Period, the Customer shall be liable for the Termination Charge of €155.00 and the remainder of the contract agreement. In the event that the Customer terminates the Agreement during the Minimum Period, the Customer authorizes Arra Communications to debit the Termination Charge from the Customer's bank account.

Connection of Equipment to the Service

3.1 Any Customer Equipment must be connected and used in accordance with any instructions and any safety or security procedures applicable to the use of such equipment, and must be technically compatible with that Service and approved for that purpose under any relevant legislation. The Customer shall ensure that all Arra Communications instructions are followed correctly as per the instruction manual for each piece of Arra Communications Equipment and Arra Communications shall accept no liability arising due to the Customers failure to follow Arra Communications instructions. These instructions may be found on our website <http://www.arra.ie>.

3.2 If the Customer chooses to use his or her own internal equipment for access to this Service Arra Communications shall be in no way responsible for any damage done to the Customer Equipment or Service as a result.

Access and Site Regulations

4.1 We may need to access your premises from time to time (for example, for installation, repairs, maintenance or upgrades or to recover our equipment when this Agreement comes to an end), if we do will give you advance notice, and so long as appropriate identification is shown you agree to allow us access.

Payment

5.1 Arra Communications tariffs for the Service, as amended from time to time, also from part of the Agreement. We reserve the right to alter such tariffs and shall notify the Customer of such a change by notice in writing and/or via E-Mail and or on the Arra Communications website <http://www.arra.ie> within a reasonable period in advance of the effective date. All quoted tariffs shall be inclusive of Value Added Tax.

5.2 You shall be charged monthly in advance, for the Service by way of direct debit deduction from your designated bank account, details of which shall be provided by you and a copy of the relevant direct debit mandate provided to Arra Communications upon request.

5.3 All sums due to Arra Communications shall be paid in full solely by direct debit mandate and you expressly consent to payment in this manner. Provision of the Service shall be conditional on the Customer making all necessary arrangements to pay for the Service by such means. Arra Communications reserves the right to charge customers an additional administrative fee of €100.00 for unpaid direct debits

Use of the Service – General

6.1 The Customer undertakes not to use the Service or the Equipment for the following

6.1.1 For any improper, immoral or unlawful purpose, nor cause any nuisance by its use of the Service, nor allow others to use the Service for any of the foregoing purposes; or

6.1.2 For the transmissions of any material which is, may be or is intended to be a hoax or is of a defamatory, offensive, abusive, obscene or menacing nature; or

6.1.3 Where such use involves, at any time, the infringement of intellectual property rights or trade secrets of another party; or

6.1.4 For the processing of automated personal data as defined in the Data Protection Act, 1988 (as amended); or

6.1.5 In a manner which in the opinion of Arra Communications in its absolute discretion makes abnormal demands on the Service or Arra Communications WAN (Wide Area network) or facility from a single connection.

6.2 The Customer shall ensure that all persons having access to the Service or the Arra Communications Equipment comply with the terms and conditions herein stated.

6.3 You shall observe the provisions of Arra Communications Acceptance Usage Policy as published on our website as amended from time to time.

6.4 You shall ensure that all hardware, Software, and equipment provided by you for accessing the Service is maintained and kept in good working order.

6.5 You shall comply with and are bound by all conditions of the license under which the equipment or Software is provided.

6.6 You shall comply with all reasonable instructions given to you by us in relation to the use of the Services.

6.7 You shall inform Arra Communications of any change of name, address, email address and/or you shall indemnify and hold us harmless against all liabilities, claims, damages, losses, expenses and proceedings howsoever arising from or in any way connected with your use of the Service or the Equipment

6.8 Arra Communications does not allow peer to peer or file sharing traffic through our WAN (Wide Area network) nor will we support any of these applications. Arra Communications may disconnect a client without notice if the customer uses these applications. The customer will have to contact our office on 061 514513 to arrange for the service to be re-enabled. Arra Communications will not be held responsible

for any personal loss or damage nor will Arra Communications refund any installation, bandwidth, or personal expenses incurred by the customer in the event that the service is interrupted due to P2P traffic on the Arra Communications WAN

Liability

7.1 Arra Communications shall make reasonable efforts to prevent unauthorized access to the Service by third parties but shall have no liability to the Customer for any unauthorized access to the Service on behalf of the Customer, to the Customer's Equipment or computer system

7.2 Arra Communications has neither control over the content of, nor is responsible for, information that is transmitted and made available on the Internet and that the security of the Internet as a communication medium, or as a medium for purchasing or payment cannot be guaranteed

7.3 Arra Communications shall not be liable for any loss or damage of any kind caused by the failure of the Service of Arra Communications Equipment due to the incompatibility with the Service of hardware, software, and/or equipment supplied by you. Neither shall any third-party, with whom Arra Communications or any of its Affiliates have entered into arrangements with for the provision of services, networks, equipment, way leaves or rights of passage, have any liability to you, howsoever arising, as a result of the failure, interruption or delay connected with or involving any of the aforementioned.

7.4 Arra Communications shall not be liable to you or any third party in contract, tort or otherwise for any direct or indirect financial loss whatsoever or for any direct or any indirect or consequential loss howsoever arising in relation to the use of the Service or the Arra Communications Equipment or any failure or error or default by us in the provision thereof, or otherwise in connection with this Agreement. Without prejudice to the generality of the foregoing, any and all liability arising under the Sale of Goods and Supply of Services Act 1980 is excluded to the fullest extent permitted by law.

7.5 Arra shall not be liable for claims arising out of a breach in the security or privacy of messages transmitted using the Service provided by us unless the breach results from a wilful act or omission of Arra Communications or its employees.

7.6 This Clause 8 shall continue to apply notwithstanding termination of this Agreement.

7.7 Arra Communications will not support any internal wired or wireless configuration on any types of systems. It is the customer's responsibility to maintain his or her own internal wired or wireless network including security and to protest against any other form of radio interference that may interrupt their service.
